RELEASE, INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

I have read, understood and will fully follow the Safety Policy and Procedures prior to executing this document. Even following the rules, I understand there is an element of inherent danger in working with glass in an enclosed studio. Some of the inherent dangers would included, but not be limited to burns from the glass itself, the heating elements and other equipment used to shape or blow glass. Also, fellow participants may also cause injury to me through no fault of my own. I further understand I do not need to execute this Agreement to watch or observe certain activities offered by Hot Shop Glass. Since I choose to participate in Hot Shop Glass activities, I voluntarily execute this Agreement. However, to participate in the actual events I choose to execute this document of my own accord and under no duress.

Based upon the above statement and in line with public policy reasons favoring the freedom to contract I fully release, indemnify and hold harmless The Hot Shop Racine Glass Studio and Gallery, LLC, its officers, members and employees (the "released parties") of and from any and all claims and causes of action for property damage and personal injury, including but not limited to death, arising out of or related to claims that its members, officers and/or employees (the "released parties") were negligent in causing my injuries to the undersigned. I further release, indemnify and hold harmless the released parties from any claim or cause of action for property damage or personal injuries, including by not limited to death, caused by the negligence or intentional act of any other participant in Hot Shop Glass functions. I understand, acknowledge and agree that by way of this Release, Indemnification and Hold Harmless Agreement I have no claim or cause of action against the released parties for negligent supervision to other participants or failure to train staff and employees of the released parties.

Please note, this Agreement does not act as a waiver or release of claims against the "Released Parties" for any intentional acts for the "released parties" causing me injury.
